League Message

You must contact your opponent by phone or text to coordinate when you start and keep in contact if any issues arise. Don't put your money into the board until you've communicated with your opponent.

CAP is 42 - this uses your last year's ppps to determine cap for any subs you bring in.

Thanks for playing this season! I'll get your sanctioning and financial report done and send it to our accountant so we can mail out your checks soon. If you need to update your mailing address, contact me at epkcar@midstateamusement.com or 920-322-8284 soon! Summer sign ups are open on our website if you're interested, too. :)

Player Fee \$18

WAWD (88) NDA (\$10)
