

# How NADO Points Work

## How do you earn money for your points?

### 1. Your Franchisee's Finale

Earn at least 101 points during the season and you're guaranteed money!

### 2. Your Franchisee's Bonus Pool

Most franchisees award extra money to top points finishers at their local Finale.

### 3. NADO Continental Finale Ton 80 Club

Earn at least 180 points for guaranteed payout!

*(Earn up to 160 capped points during the season PLUS up to 70 points at the Finale)*

### 4. NADO Continental Finale Bonus Pool

Thousands of dollars are awarded to top points finishers each year!

## Play to Earn! Points = Money!

When you play in your local franchisee's leagues and tournaments or in NADO-managed remote leagues and tournaments you earn points every time you play!

- 
- **Leagues:** 2 points each league match (75 capped)
  - **NDRTs:** count as 1 league point
  - **MPRTs:** 5 points each tournament (60 capped)
  - **Bonus:** 2 points for winning or being highest placing female in an MPRT (10 capped)
  - **Bonus Participation:** 4 points every 12 nights of league play and 1 point every 4 MPRTs (15 capped)
- 

Players can earn up to **160 Capped Points** per season but still earn uncapped points that count towards the Continental Finale Uncapped Points Leader Invitational event in October.

*Each season runs from July 1st - June 30th.*
