QUALIFICATIONS TO ENTER

Wisconsin or out-of-state residents must have played a minimum of four matches in a WSPA sanctioned league. If you do not shoot in a WSPA league but are a Wisconsin or Michigan Upper Peninsula resident, please find our WSPA Player Membership & Entry Form at: www.wspapool.com/tournament. The WSPA may require you to show proof of residency. If you have a question regarding your sanction status or eligibility, contact your League Operator (if applicable) or email info@wspapool.com.

TAX INFORMATION

Any player having won \$600 or more from all combined WSPA tournaments will be required to fill out Form W-9 which will be available at the tournament. If you do not fill out this form, we will be required to withhold 30% of your prize money. The WSPA will report your combined earnings from all WSPA events to the IRS and send you Form 1099-MISC.

CASUAL DIVISION CRITERIA

All Casual Division entries are reviewed. If you have questions on your eligibility, please email info@wspapool.com prior to submitting your entry. We will use FargoRating, CompuSport Rating, league stats (win/loss %, table run/ERO), and any other available data to determine eligibility.

SOFT BREAKING – THIS APPLIES FOR SINGLES 8-BALL EVENTS ONLY

1. Players will be allowed one intentional soft break per match. If you intend to break softly, you must notify your opponent and get a referee. The referee will make a note that your one safety break has been used.
2. If your break is illegal, with or without a foul, your inning ends. Your opponent may:
 - A. re-rack the balls and break.
 - B. require you to re-rack the balls and break again.
3. The game cannot continue until there is a legal break. If a break is illegal and there is also a foul, the illegal break takes precedence and the incoming player must choose either option "A" or "B" listed above. If option "B" is chosen, a safety break cannot be attempted again as it has already been used.
4. If it is found that you are intentionally doctoring the rack to gain a competitive edge, that game will be forfeited. Final decisions on this violation are at the discretion of the Tournament Director or referee.

SLOW PLAY

This rule is to minimize slow play in order to move the events along at the scheduled pace and to offer a pleasant experience for all players.

- Players can be put on a shot clock if it is determined they are taking an excessive amount of time to shoot. Event officials require that matches proceed at a steady pace. You may call a referee if you believe your opponent is consistently taking longer than one minute per shot. If after a reasonable time of observation, the referee determines that slow play is occurring, they will warn the offending player. If slow play persists after the first warning, the Tournament Director or designee will place the offending player on a shot clock. The shot clock will be used until the offending player demonstrates they can play in the allotted amount of time.
- If it is determined he or she is slow playing again in the same or a later match, the player will be warned again and watched by a tournament official. If the opponent continues to consistently take longer than a minute to shoot, then the penalty will be a game forfeiture.
- If the same player is found slow playing a third time in an event, he or she will once again be warned and if found to still be slow playing will forfeit their remaining games in that match.
- A fourth occurrence by the same player will result in a warning, and if found to be slow playing again, he or she will be disqualified for the remainder of the event.

DRESS CODE

Dress code requirements are established to add to the prestige and respect to the WSPA State Championships. Your cooperation in wearing neat, clean apparel at all times during competition is appreciated. Any player not using good personal hygiene (showering, etc.) will be subject to the same match forfeitures. Final decisions on dress code violations are at the discretion of the Tournament Director and/or WSPA Board.

Referees will not be policing dress code violations. It is up to the players to either accept or question their opponent's attire before the coin flip of their match.

2. If they cannot be corrected immediately, all other violations will be enforced upon being discovered by any referee or tournament official at any time during a match. Penalties and procedures are described below.

PENALTIES

1. First violation: the player will lose one game of the match.
 - a. The penalty game is added to the opponent's score immediately. Any game in progress is not affected and will continue, regardless of the status or progress of the game.
 - b. Exception: if the player's opponent is on the hill, the one-game penalty is not applied, but the violation is recorded and counts in the progression of dress code penalties.

• In addition to the one-game penalty, a mandatory warning will be given that a second violation of any part of the dress code during any later match in any event will result in immediate disqualification of that player from all remaining events. After the first-violation penalty is applied, the player will be allowed to finish the match without the dress code violation corrected.
2. Second violation in any later match in any event: disqualification from the event and all remaining events.

MEDICAL EXCEPTIONS

Should a player require an exception for medical reasons, the player must provide a letter on official letterhead from the player's health care provider before the tournament begins and present that to the tournament director. They must keep this letter on them at all times.
